

**2011 ONTARIO
GOLF COURSE
MANAGEMENT
CONFERENCE & TRADE SHOW**
Windsor, ON | January 12-14, 2011

Ontario Golf Superintendents' Association
Keeping Golf Green

OGSA is committed to serving its members, advancing their profession and enriching the quality of golf and its environment. With over 885 members, it is one of the most successful associations in the golf industry.

**EXHIBITOR
PACKAGE**

Start planning now for 2011 at

What's new this year?

An extraordinary venue with more than 7 hours of dedicated trade show time on Caesars Colosseum floor, including seminars on the trade show stage.

Why Exhibit?

- Find the best audience in Ontario and surrounding areas of golf course management decision makers.
- Introduce new products and services to current and potential customers.
- Demonstrate products to a knowledgeable audience and answer questions.
- Distribute information and product samples.
- Strengthen existing customer relationships.
- Expand distribution channels.
- Participate in social networking right on the trade show floor.
- Take advantage of all education sessions; with some panel discussions to be held on the trade show stage.

Conference Date: Wednesday, January 12th to Friday, January 14th

Exhibit Hours: Wednesday, January 12th
12:15pm - 5:30pm

Trade Show Social
4:30pm - 5:30pm

Thursday, January 13th
9:00am - 2:00pm

Location: Caesars Windsor

Address: 377 Riverside Drive East
Windsor, ON N9A 7H7

From 401: Exit on Hwy 3B and follow signs to Caesars Windsor

Booth Priority Assignment!

Don't miss out! Reserve your space today!

A system of priority assignment based on square footage used at our last OGCMC show has been put into effect for this year's show. To be considered for priority assignment, based on the size of your exhibit space, contracts for booths must be received by October 4th.

Contracts after that will be assigned on a first come first serve basis.

Important Facts at a Glance

Exhibit Rates

10'x 10' booths (100 sq ft).
\$1,600 plus 13% HST per 10'x 10' unit. Multiples are available.

What's Included?

- Free parking of vehicles including trailers.
- Easy access move in and move out.
- Product listing in the "On Site show brochure".
- Materials handling (Drayage).
- Fully carpeted booth.
- One time booth vacuuming after move in.
- 24 hour security.
- Back and siderail drapery (if required).
- One 8' table, 2 chairs - multiples can discuss their specific requirements with the show coordinator.
- Internet access and one power outlet.
- 3 Exhibitor badges for booth attendees.
Your exhibitor badge gives you access to opening ceremonies and education sessions. It also includes continental breakfast and lunch on Wednesday and Thursday, as well as breakfast and morning break on Friday.
- Tickets are available for purchase for both the on site Awards Luncheon and the President's Reception at the Canadian Club Brand Centre

Note:

A full range of booth furniture, etc. will be posted on the website by October 15, 2010 should you require additional material

Please read "Appendix A" for full exhibitor rules and regulations

To Access the Trade Show Floor

The Colosseum is accessible by your vehicle. Enter through the loading doors located on the southeast side of the Colosseum building on Chatham Street. Pull your vehicle to the side and proceed to the Show Manager's desk which will be located close to the doors. Pick up your exhibitor badge(s) and confirm your location. Off-load your vehicle as quickly as possible and then move your vehicle from the show floor to the parking area.

Parking, including trailers, is free of charge.

Set Up

Tuesday, January 11 2:00 pm – 6:00 pm*

- All displays must be complete by 6:00 pm. If you have any special requirement for your display, please discuss this with us in advance so that we can be prepared for your arrival and set up.
* If your set-up takes more than 4 hours, please advise and we can arrange for you to start earlier than 2:00 pm.
- If you have handout materials, bring only as much as will be needed (850 delegates). Please bring in reusable containers such as rubber, in order to reduce disposable packaging. Please plan to take any leftover materials with you as there will be a cost for material removed.
- Closer to the Conference, you will be contacted to discuss move-in time

Tear Down:

Thursday, Jan. 13 2:00 – 6:00 pm

- Exhibitors must remove their displays, starting at 2:00 pm and must be completed by 6:00 pm.
- All display materials must be removed from the exhibit areas. You are responsible for return shipping arrangements of your displays/materials. No materials are to be left in the exhibit area; otherwise a fee will be assessed.
- Details regarding exhibit requirements are included in the Exhibitor Information Form. See *Appendix A*.

Accommodation

\$155/night, single/double occupancy.

A link will be provided on the OGSA website to Caesars Windsor Reservations.

Alternatively, you can call Caesars Windsor direct at 1-800-991-7777 to book. Please quote OGSA in order to receive the special conference rate.

VIA Rail

By taking VIA rail to/from Windsor, you will receive 10% off best available fare in all classes of service system wide (except Economy Special (YS) and Business Supersaver (JX) fares). This special rate is valid Jan. 9 – 17, 2011.

To obtain this savings go to www.viarail.ca
Choose the best applicable fare plan for your travel needs.
Choose Other Special Discounts in the 'Discount Type' section and enter the code '11809' in the 'Discount Code' section.

Audio Visual

A-V Canada is the Official supplier for audiovisual, displays and lighting.

For information on rates and services, please call A-V Canada representative, Robert Thompson, at 905-566-5000 x 235 or by e-mail at Robert.t@av-canada.com.

Show Services

The rigging/hanging of signage or show materials must be handled through Stronco.

For further information on rates and services, please call your Stronco representative, Jeff Drover, at 905-270-6767 x 2236 or by e-mail at jeff.d@stronco.com.

A full package of show materials will be available on the conference web site.

Material Handling

Provided by Stronco Show Services. See Stronco on package on website.

Exhibitor Rules & Regulations

APPENDIX A

Access

The Licensor, its employees and agents shall, at all times, have free access to Caesars Windsor providing such access does not interfere with the purposes for which the licensee is granted. The Licensor shall provide the Licensee with a list of names of authorized personnel who shall be provided with identification badges at the expense of the Licensee to identify personnel who shall be given access free of charge.

Additional Rules & Regulations

The Licensor may issue additional rules and regulations. These additional rules and regulations shall be binding upon the Licensee.

Adhesive Tape

All adhesive tape products must be removable without damage to the building finishes. Charges will apply for all tape damage and/or adhesive removal at a rate of \$30.00 per hour.

Advanced Receiving

Materials must be received at least 4 days prior to your event.

Alcohol

Alcohol may only be consumed in those areas of the facility licensed and designated as alcohol consumption areas and must be obtained from Caesars Windsor

Ceiling Hangers

No items can be hung or suspended from the ceiling without the express written permission of Caesars Windsor. If such permission is granted, items must be suspended by the exclusive supplier, Stronco.

Designated Entrances

All persons, articles, exhibits, fixtures, displays and property of any kind shall be brought into and out of the building only at the and through those entrances and exits as the Licensor may designate from time to time. Certain aisles may be designated by the Licensor as non-freight aisles during move-in and move-out.

Exhibits

All exhibits must be brought into the building via the designated move-in doors from the loading docks on the South side of the building. Exhibits may only be installed in the designated licensed area as laid out in the event floor plan. Exhibits must not hinder or obstruct any fire equipment, emergency exits, display signage, windows or doors. Caesars Windsor will not accept advance exhibit shipments unless arrangements have been made with Caesars Windsor. Exhibits left in the premises after the designated move-out period will be force shipped. The Licensor will not be held responsible for the admission of any exhibits which do not come with the dimensions, weight or loading capacity of the entrances.

Garbage

Garbage will be removed from the show floor and the building by the official contractor at the Licensee's expense. The official cleaning contractor and Caesars Windsor management are the only people authorized to operate the garbage compactor.

Harassment Policy

Caesars Windsor is committed to providing and maintaining a workplace that ensures all employees of Caesars Windsor are treated with dignity and respect and are able to work in an environment free from harassment.

Loading Docks

Caesars Windsor is equipped with one truck loading dock, accessed by the Chatham Street dock entrance.

Materials Handling

Caesars Windsor equipment may be operated by the facilities personnel only. All forklifts and heavy loading devices must be operated by a trained operator approved by the Licensor. Damages resulting from the improper operation of such equipment will be the responsibility of the operator and/or the Licensee.

Motorized Vehicles

Vehicles powered by an internal combustion engine must contain no more than one quarter (1/4) tank of fuel and once in position, must not be operable (i.e. battery must be disconnected). Fuel caps must be locked or taped shut. Vehicles must have drip pans underneath them and pads under all tires. All vehicles entering the exhibition area must be clean and dry. All floor areas must be covered and protected with heavy duty plastic sheeting prior to vehicles entering the facility, at the Licensee's expense. No motorized vehicles are allowed to operate in the facility unless special permission to do so has been granted by building management.

Prohibited Acts

The Licensee and exhibitors shall not:

- Allow any articles to be brought into nor any act done within the facility which conflicts with rules of the Windsor Fire Department or any relevant governmental authority, or which will render void or increase the premiums on the insurance policies held by the Licensor, nor injure or deface any part of Caesars Windsor, nor permit anything to be done by their agents or employees by which Caesars Windsor may in any manner be injured, marred or defaced.
- Admit or permit any child under the age of 16 to Caesars Windsor during any move-in or move-out times of the event.
- Commit any nuisance or knowingly do or permit to be done anything which may result in the creation or commission of a nuisance, or annoy, harass or interfere with users of any other part of Caesars Windsor.
- Permit nails, hooks, screws or tacks to be driven into any part of Caesars Windsor or equipment contained therein, nor permit or make any alterations of any kind to Caesars Windsor or its equipment.
- Cause or produce to be caused or produced to emanate any unusual or noxious or objectionable noises, smell or lights in any part of Caesars Windsor.
- Do or permit to be done anything which may interfere with the effectiveness or accessibility of utility, heating, ventilation, elevators, electrical, plumbing, gas, compressed air or air conditioning systems, nor permit to be done anything which may interfere with free access to passage in the public areas or to the street or sidewalks adjoining.

Parking

Exhibitor parking will be designated by Caesars Windsor.

Rigging

No item may be suspended from any ceiling without the written permission of Caesars Windsor management. Any items to be suspended may only be suspended by the official contractors Stronco or by a subcontractor approved by Caesars Windsor. In order to obtain Caesars Windsor approval, it is necessary to supply the following information.

- Type of item to be hung
- Exact weight
- Length of truss or frame dimensions
- Number of attachment points and their position
- Type of rigging to be used

Set-Up Instructions

Caesars Windsor does not restrict exhibitors from carrying in their own material (through specified doors) or from setting up their own exhibits. No wheeled vehicles, whether powered or not, are to be driven into the facility without permission from Caesars Windsor management except to transport goods in and out. All vehicles must be removed immediately, once unloaded. No children under the age of 16 years are allowed on site during move-in or move-out. During show hours, they must be under the supervision of parents or guardians. Licensees and exhibitors are requested to bring their own tools, ladders, brooms, dollies and other required items to erect their exhibits. Caesars Windsor does not loan any of these items. All labour requirements for the set up and tear down of an event are the responsibility of the Licensee, the exhibitors and their service contractors.

Sampling

Exhibitors who wish to distribute food or beverage giveaways must do so by ordering from Caesars Windsor through the Catering Manager at 519-982-2822

Shipping and Receiving

Personnel authorized by the Licensee must be present to receive the shipment of goods. Caesars Windsor has limited space available on the loading docks for receiving materials in advance of your shows scheduled move-in date. This service must be arranged prior through the Catering Manager at 519-985-2822.

Exhibitor Rules & Regulations

APPENDIX A - continued

Signs, Decorations & Adhesives

Hand written signage is not permitted. Signs and decorations may not be brought into Caesars Windsor without prior approval. Given such approval, signs and decorations may only be hung and/or secured by the designated people Stronco. The client will remove all signs and decorations within the licensee period at their expense. Failure to remove decorations will result in additional fees at the client's expense. Caesars Windsor reserves the right to remove any signs or decorations that are found objectionable. Exterior signage may be posted only on the regular billboards provided by the facility for the period of time designated by the Licensor. Confetti is not permitted in any area of Caesars Windsor. Exterior signs and banners may not be fastened to the building superstructures. Temporary exterior directional information, shuttle bus signs, etc., must be approved in advance by Caesars Windsor. Signs, banners and similar materials may not be nailed, stapled, hung, or attached to the ceilings, walls, or painted surfaces except by permission of Caesars Windsor. Failure to comply will result in a charge of \$75.00 minimum per occurrence to the Licensee. The only tapes authorized for use on exhibit hall floors are: Doublestick V (2-sided tape), Rainbow (1-sided 7 ml vinyl), masking tape, #618 Suretape (cloth duct tape) #174 high-adhesion double-faced tape. Floor tape removal is the responsibility of the Licensee at their expense. Any residual floor tape left on the trade show floors after move out will be removed by Caesars Windsor at a rate of \$150.00 per hour. Acceptable wall adhesives are Lepage Fun Tak or similar putty adhesive. All adhesive products must be removable without damages to the surfaces.

Smoking

Smoking is strictly prohibited throughout the facility

Sound System

No sound system can be brought into the facility without prior written permission from Caesars Windsor.

Space Allocation

Any event will be restricted to the area designated by the signed agreement

Telephones

Private telephone arrangement for shows or events held in the facility must be made directly with Caesars Windsor Catering Manager. Caesars Windsor telephone numbers may not be published as an official show or convention number and are reserved for the exclusive use of Caesars Windsor.

Water

If water is required, it must be coordinated with the Caesars Windsor Sales Department. Caesars Windsor's technical contractor must hook up, fill and drain all water set ups. The cost of water is based on volume and technical work involved.

HYDRO – PROVINCIAL REQUIREMENTS FOR EXHIBITING ELECTRICAL EQUIPMENT AT TRADE SHOW

The Ontario Electrical Safety Code (Ontario Regulation 10/02) is the Provincial regulation that defines the requirements for electrical installations and electrical products in Ontario. The Electrical Safety Authority is responsible for enforcement of the Ontario Electrical Safety Code.

Rule 2-022 of the Ontario Electrical Safety Code requires that any electrical equipment that is being displayed, offered for sale, or used in any show/convention/or similar exhibition MUST BE APPROVED. At Trade Shows, unapproved electrical equipment will only be permitted when the Electrical Safety Authority gives permission.

Electrical equipment is considered approved if it bears the certification mark or Field Evaluation label of an organization that has been accredited by the Standards Council of Canada to approve electrical equipment. If these markings are missing, the equipment is considered to be unapproved. Bulletin 2-2-11 shows all approved certification marks or Field Evaluation markings accepted Ont.

Note:

1. Electrical equipment must be approved as an assembled unit. Electrical equipment that consists of an assembly or combination of other individually approved electrical equipment or devices is considered unapproved.
2. The exhibitor is expected to make every reasonable effort to have electrical equipment approved prior to the show. The electrical Safety Authority will permit equipment to be shown as stated in Rule 2-022(5) of the Ontario Electrical Safety Code for specific equipment and for a determined period of time.

Please request an application form to receive written permission to show unapproved electrical equipment. Permission to show should be displayed with the equipment during the entire show, and does not provide permission to energize unapproved electrical equipment. A fee of \$45.00 will be administered for this service.

FIRE REGULATIONS

Exhibits & Displays in Public Buildings

The purpose of these requirements is to maintain an acceptable level of fire safety within Caesars Windsor. The fire protection systems built into Caesars Windsor have been designed to protect against the hazards which are typical of conventions and exhibitions. The objective of these requirements is to limit the hazards of contents and operations within Caesars Windsor to a level which can be controlled by the building fire protection systems.

The requirements contained herein and the Ontario Fire Code will be strictly enforced by the Event Logistics staff of Caesars Windsor and the Windsor Fire Prevention Division. All Exhibitors must have these requirements in their possession during booth occupancy.

The requirements apply to the following:

1. Prohibited materials, processes and equipment
2. Materials, processes and equipment requiring special approval from Caesars Windsor Sales Department
3. Acceptable booth configuration
4. Acceptable material for booth configuration
5. Interior finishes and furnishings
6. Obstructions
7. Combustion engines
8. Electrical equipment and connections
9. Portable spotlights
10. Procedures during set-up and dismantling
11. All items to be suspended from ceilings
12. Emergency procedures

Prohibited Materials, Processes, Equipment and Booth Configurations

Use of the following materials, processes or equipment is strictly prohibited

1. Acetate fabrics, corrugated paper box board, no-steam paper
2. Paper backed foil unless glued securely to suitable backing
3. Styrofoam and/or foamcore
4. Fireworks
5. Explosives
6. Flammable cryogenic gases
7. Blasting agents
8. Aerosol cans with flammable propellants
9. Smoking in posted "no smoking" areas
10. Fueling of motor vehicles
11. Liquefied petroleum or natural gas
12. Wood matches with "all surface" strikes
13. Hazardous refrigerants such as sulfur dioxide and ammonia
14. Cellulose nitrate motion picture film
15. Portable heating equipment
16. Flammable liquids or dangerous chemicals
17. Electrical equipment or installation not conforming to the Ontario Electrical Code or CSA (Canadian Standards Association)

Exhibitor Rules & Regulations

APPENDIX A - continued

Materials, Processes and Equipment Requiring Special Permit For Use

The use of the following material, processes or equipment is subject to approval from Caesars Windsor. If any materials, processes or equipment requiring approval are to be used, the Exhibitor shall submit in writing to Caesars Windsor the nature of the process or equipment and any safeguards to be used to protect the hazard. Requests will be submitted to Caesars Windsor who will review and return the request with their approval, rejection or limitations.

1. Propane or natural gas fired equipment
2. Operation of any heater, barbecue, heat producing device, open flame device, candles or torches
3. Exhibits involving hazardous processing or materials not previously listed
4. Storage or display of ammunition and fire arms (subject to subsection 5.2 of the Ontario Fire Code and Criminal Code)
5. Pressure vessels including propane tanks
6. Fossil fuel powered equipment using flammable fluids
7. Radiation producing devices
8. Natural Christmas trees

Acceptable Booth Configuration

The following booth configuration will be acceptable:

1. Open top booths
2. Platforms not exceeding 400 sq ft in area.

The following booth configuration will require approval from Caesars Windsor. A description of the booths requiring approval shall be submitted to Caesars Windsor. Caesars Windsor will discuss these configurations with the Windsor Fire Protection Division.

1. Platforms exceeding 400 sq ft in area
2. Exhibition booths with flame retardant fabric canopies not to exceed 200 sq ft.
3. Layouts of all meeting rooms used for exhibit

Acceptable Materials for Booth Construction

The following types of materials will be acceptable for booth construction:

1. Wood
2. Combustible materials including plastics having a flame spread rating not exceeding 150 and a smoke developed classification not exceeding 300
3. Noncombustible materials as regulated by the Ontario Building Code

Interior Finishes and Furnishings

The limitations described below shall apply to all booth interior finishes and furnishings including:

- Drapes
- Hangings
- Curtains
- Drops
- Christmas trees
- Artificial flowers and foliage
- Ruscus
- Split wood
- Textiles
- All other decorative materials including plastic
- Paper, cardboard or compressed paperboard less than ¼" thick is considered paper

Limitations

1. Made from noncombustible materials, or
2. Treated and maintained in a flame retardant condition by an approved flame retardant solution or process
3. Corrugated cardboard can be used only if fire retardant treated at the factory
4. Plastics can be used only if approved by Caesars Windsor

Note:

It is necessary to flameproof textiles, paper and combustible merchandise on display for sale but the quantity so used shall be limited to the displaying of one salvageable length. Each sample must differ in colour, weave or texture.

Booth wallpaper is permissible if pasted to walls or wall board backing.

The following test (NFPA 701 Flame test) may be used to determine if a material is flame resistant:

1. Cut off a small piece of the material (1 ½' wide x 4" long) and hold it with a pair of pliers
2. Hold a wooden match ½" below the bottom of the material 12 seconds
3. If, when the match is taken away, the material stops burning within 2 seconds, it is flame resistant
4. If the material goes up in flames immediately or continues to burn for more than 2 seconds after the match is removed, it is not flame resistant.

Obstructions

1. Nothing shall be hung from or affixed to any sprinkler piping or heads. Construction or ceiling decorations of the booths must not impede the operation of the sprinkler system.
2. All exit doors shall be in an operable condition and shall remain unobstructed at all times. Exit signs, manual pull stations, fire department hand sets, fire hose cabinets and portable fire extinguishers shall not be obstructed in any manner.
3. If a fire hose standpipe is located in exhibit space, it shall be the responsibility of the Show Manager or Exhibitor, as the case may be, to provide access to such equipment.
4. All entrances, exits, aisles, stairways, lobbies and passageways shall be unobstructed at all times.
5. Easels, signs, etc. shall not be placed beyond the booth areas into the aisles
6. Literature, supplies and handouts are permissible in reasonable quantities. Reserve quantities shall be kept in closed containers and stored in a neat, compact manner within the booth.

Combustion Engines

Vehicles or other flammable fueled engines displayed shall conform to the following requirements:

1. Fuel tanks containing fuel or which have ever contained fuel shall be maintained less than ¼ full. Caps for fuel tank fill pipes shall be of the locking type and be maintained locked to prevent viewer inspection. If they cannot be locked, they shall be taped shut.
2. Garden tractors, chain saws, power plants and other gasoline powered equipment shall not contain any fuel and shall not be used for demonstrations without permission from Caesars Windsor.
3. The electrical system shall be de-energized by either
 - a) Removing the battery, or
 - b) Disconnecting both battery cables and covering them with electrical tape or other similar insulating material
4. Tanks containing propane shall be maintained less than ¼ full. Vehicles may be driven in and positioned. The engine should remain running with the valve shut off. Allow engine to run until all of the fuel is used up. Turn ignition off.
5. Cylinders for barbecues and/or appliances within a vehicle such as stoves, refrigerators, etc. must be empty.

Electrical Equipment & Connection

The Electrical Safety Code, Ontario Regulation 180/84 requires that all electrical equipment is approved before it may lawfully be advertised, displayed, offered for sale or sold, or otherwise disposed of or used in the Province of Ontario. Appropriate approval markings (CSA monogram or label) must appear on each device. If such markings are missing, the device must be considered unapproved and, therefore subject to special inspection and/or removed from Caesars Windsor property.

It is the responsibility of each Exhibitor to ensure that all electrical equipment in, on or about their booth complies with the above Regulations. This includes electrical merchandise as well as lighting and display equipment. If you wish to display, offer for sale or use any electrical equipment which is not certified by the CSA, you must complete an application to the Electrical Safety Authority.

Portable Spotlights

All clamp on types of portable spotlights should be protected from metal to metal contact by having electrical insulating pads or wrappings permanently attached to the lampholder clamps. Where a spotlight may be subject to physical damage, dampness or where lamps may come in contact with combustible material, the spotlight shall be equipped with a guard attached to the lampholder or the handle. Flexible cords (extension cords) may only be used for portable lamps or appliances that are of allowable amperage for this size and type of the three conductor cord used to power bars.

Exhibitor Rules & Regulations

APPENDIX A - continued

Procedures During Set up and Dismantling of Shows

No smoking is allowed during the set up or dismantling of shows. Caesars Windsor is a non smoking facility. Show Management must have the approval of Caesars Windsor for commencement of set up or dismantling of shows. Access and flow of vehicles or trucks on exhibition floor is limited and controlled. Drivers of vehicles must stand by vehicles at all times with parking lights on. Idling of trucks while in the loading dock area of the building or on the exhibition floor is prohibited. Crates and packaging materials must be removed promptly. The Exhibitor is to monitor this activity. Restriction on the use of materials, processes and equipment during set up and dismantling must be adhered to. Any type of utility connection (i.e. electrical, audio, video, water, compressed air, steam, etc.) must be carried out by the Licensor's authorized personnel or its appointees.

The following equipment and operations are prohibited during show set up and dismantling:

1. Material handling equipment other than electrically powered will not be permitted in the facility during shows or overnight
2. Tools and equipment powered by flammable fuels, except materials handling equipment.
3. Electrically powered tools and equipment other than those listed by ULC or labeled or listed by CSA, or by a nationally. Recognized testing laboratory.
 - a. Portable heating equipment.
 - b. Welding, cutting or blazing equipment without special permission from Caesars Windsor.
 - c. Painting with flammable or volatile paints and finishes.
 - d. Smoking in all posted "no smoking" areas and where packing crates and debris are an obvious fire hazard.
 - e. Use of other equipment or operations that increase the risk of life safety.

Ceiling Suspended Items

1. All items to be suspended from ceiling including signs, displays, light and sound equipment, etc. must be approved in advance.
2. Rigging of cable and other hanging devices on or near ceiling electrical ducts and conduits is strictly prohibited.
3. All ceiling equipment material and rigging must be removed immediately upon close of the show.

Emergency Procedures

Caesars Windsor is equipped with sophisticated fire protection equipment including: automatic sprinklers, smoke and heat detection, fire alarm and public address system. Upon arrival, you should familiarize yourself with the building, particularly as to the nearest exit, manual pull station and fire extinguisher. If you see fire, activate the nearest fire alarm manual pull station and leave the fire area closing all doors behind you.
